

## Knauf Internship Programme 2023

---

### *Who we are*

Knauf East Africa is a leading manufacturer and supplier of gypsum board, skimming powder, metal profile and building accessories in East Africa.

### *What will the program offer?*

Knauf Kenya introduces the internship programme across different fields as part of corporate initiatives both from Talent Management and Social Responsibility perspectives to give the fresh graduates and young professionals an exposure into the business world of Knauf. The internship will also give them the opportunity for early career preparation and learning within a challenging, innovative, and caring environment.

We are therefore looking for young graduates who are motivated and passionate with excellent academic achievement to join Knauf Internship Programme. The internship programme will run for a period of 12 months.

### *What we need you to have...*

- Bachelor's degree in any relevant technical or commercial course, i.e., Engineering, Architecture, Commerce, or Business Management
- Graduated not more than 2 years as of January 2023

### *What would get us even more excited?*

- Strong passion for sales
- Innovative and creative thinking
- Excellent communication skills
- Good interpersonal skills
- Strong analytical skills

### *What you will get from us...*

- Vigorous training and exposure
- Innovative and creative environment
- Monthly allowance

### **Status:**

***We will not guarantee placement after completion of the training program.***
